Interview Proposal For Mr. Tavis Smiley

DAME RICH BIO

Dame Rich is the complete embodiment of what it is to operate at the zenith of one's craft; in this particular case, as an author, orator, and life skills management and health expert. Born in Detroit, Michigan, USA, Dame is a recent Who's Who awardee as well as an entrepreneur, international businessman, investor and real estate developer. He is the byproduct of some of the most prestigious universities both in the United States and abroad. Additionally, Dame has fused this education with the real-life practical experience of being a direct understudy of some of the greatest minds in business, science and medicine. Dame is fulfilling his destiny in creating and delivering content to directly address the most critical, complex problems at a global level.

With a highly credentialed background as a health practitioner among other things, his recent health promotion tour netted him high praise and accolades. His current focus centers around the new and emerging science of epigenetics. *(Epigenetics is the study of how the mind's energy field actually creates our reality; not genes or circumstances.* By him distilling epigenetics through the lens of quantum science, he is also able to provide key insights into how the body reacts to stress and the genesis of disease from these stresses.

Dr. Rich owns business in Cybersecurity, Film Production, Business and Financial Consulting, Information Technology, Oil, Health Care and Real Estate Development. In his spare time Dame enjoys reading and spending time with his wife of 15 years and daughter.
